CNMI Substance Abuse,
Addiction & Rehabilitation

MISSION

EMPOWER individuals struggling with substance use and addictions to achieve long-term recovery and regain control of their lives through comprehensive support and resources

VISION

EMPOWERING the CNMI to build and enhance the quality of life for individuals through leadership & action.

PURPOSE

To **PROVIDE** the opportunity for members of the community to access and avail of substance abuse and addictions treatment.

The **Substance Abuse, Addiction & Rehabilitation Program**, under the Office of the Governor, established the Hinemlu O'hala Para Enteramenti - H.O.P.E. Recovery Center (HOPE). HOPE is dedicated to providing quality clinical care and social services to individuals struggling with Substance Use Disorder (SUD) and educational support for their families.

SAAR was developed through the reestablishment of the Special Assistant for Substance Abuse & Rehabilitation position under the Executive Order 2018-07.

The HOPE RECOVERY CENTER provides an evidence based residential treatment program through the Matrix Treatment & Moral Reconciliation Therapy Models, with the support of a 24-hour staffed, safe & sober living environment.

SUBSTANCE TREATMENT AND REHABILITATION (STAR) PROGRAM is a program provides comprehensive treatment services, including family education. Notably, the STAR Program offers outpatient treatment services to individuals battling substance and alcohol use, regardless of criminal history. Key components of the STAR Program include:

The Community Outreach Partnership Program provides a platform for key stakeholders such as WIA, Youth Affairs, NMC, NMTECH, and others to offer services to individuals in recovery, combating substance addiction, dealing with criminal charges, serving time, as well as youth and family members.
